

2007 Fantesca Russian River Valley Chardonnay

Harvested from select vineyards in the Russian River Valley, this unique blend was selected for the classical characteristics embraced in the finest French White Burgundies; clean and crisp, bright acids, beautiful tropical notes and elegant structure. The body and texture of this wine is derived from its sur lies aging and native yeast fermentation.

The 2007 is the first wine from Fantesca to benefit from Heidi Barrett's touch.

The goal was to make a wine that confidently places the fruit at center stage while complimenting it with nuanced winemaking skill that adds depth, complexity and balance.

The three separate vineyard lots were thoughtfully paired to individual oak and fermentation protocols to weave into a seamless blend.

The wine was barrel fermented in 22% new French Oak barrels for nine months. The wine was sur lies aged and stirred every two weeks for the duration. There is 30% malolactic fermentation completed in the blend.
