- About Fantesca Estate & Winery:** Located at 2920 Spring Mountain Road, in St. Helena, California, 1200-case Fantesca Estate & Winery was founded in 2004 by Proprietors Susan and Duane Hoff. The Minneapolis natives and Best Buy execs had dreamed of owning vineyards and making their own wine in the Napa Valley, with the goal of creating a legacy for their children and grandchildren.
- Fantesca's third vintage; an 800 case 100% estate grown 2004 Cabernet Sauvignon displays the finesse and opulent style that are the hallmarks of Spring Mountain District. Crafted by father-son duo Nils and Kirk Venge, with grapes grown and tended by some of Napa's top viticulturalists (Tom Prentice, Lupe and Hugo Maldonado). The winery's second wine, a 2006 Chardonnay from Los Carneros is the third vintage of chardonnay for Fantesca. Release date of April 2008; limited production.
